

From the first of December until
Christmas
Is the longest time of the year.
It seems as though old Santa
Never will appear.

How many days is it 'til Christmas?
It's mighty hard to count.
Let's try together
And get the exact amount.

1, 2, 3, 4, 5, 6, 7 . . . 24,
We don't have to count anymore.

Christmas Eve, it's finally here.
Is it Rudolf and Santa I hear?
